

# ADAPTED GYMNASTICS CAMP

FOR CHILDREN WITH SPECIAL NEEDS!

ASA Adapted Gymnastics Camp is a great way for campers to get exercise, build confidence, and make new friends! Camp sessions include academic time, crafts, movies, physical exercise through adaptive gymnastics, obstacles courses, group games, and themed activities. Daily lesson plans also focus on cognitive development, gross and fine motor skills, agility, social skills, communication, and growing independence. Each day includes snack time and campers are asked to pack their favorite lunch for our mid-day break.

Our experienced camp staff welcomes BSC, TSS, and Mobile Therapists to participate with their camper. Families may send copies of IEPs and/or PBSP for staff reference.
